✓ Learn multiple techniques of interview and interrogation including The WZ Non-Confrontational Method, The Behavioral Analysis Interview and the Reid Method*

✓ Become more efficient and effective in

- Obtaining quicker admissions and actionable intelligence
- Eliminating the innocent from the guilty
- Closing more successful investigations

About the Seminar: Since 1982, Wicklander-Zulawski & Associates, Inc. (WZ) has trained over 100,000 law enforcement professionals. The **WZ Seminar on Criminal Interview & Interrogation** ties the interpretation of verbal and physical behavior into a structured approach of interview and interrogation.

This course is unique in that it provides training in **multiple techniques** of interview and interrogation, including the WZ Non-Confrontational Method, Behavioral Interviews and the Reid Method*. The WZ Non-Confrontational Method is a structured, conversational approach that often results in an admission (or multiple admissions) without the suspect ever making a denial or protesting their innocence. Moreover, the resulting legally-acceptable confession often includes information not revealed during the investigation.

Bottom Line: There is more than one way to interrogate a suspect. If a person is trained in multiple methods, they have the ability to use the technique most appropriate for the type of case and

About the Workshop:

The purpose of the **WZ Advanced Workshop on Interview & Interrogation Techniques** is to offer participants, who have attended an introductory interview and interrogation course**, the opportunity to enhance their techniques in a workshop environment.

Participants will obtain training in the latest and most powerful advanced interview and interrogation techniques. This interactive workshop utilizes practical exercises, using underlying psychological principals to improve your ability to obtain legally acceptable confessions.

ALL instructors are Certified Forensic Interviewers (CFI) and have extensive practical experience in the field. WZ instructors teach the same up-to-date skills and methods they have used during their own investigations.

- ✓ Interactive workshop focused on practical application and underlying theory
- ✓ Strategic preparation for interrogation using case studies
- ✓ Gain advanced skills that can be used immediately
- ✓ Put your interview skills to work for you over the telephone
